CIVIL ACTION
No. 07-5484

MOTION TO FILE OCR TEXT COPY OF UNSEALED MOTION

Comes now the Plaintiff, Pro Se, in his Motion to File OCR Text Copy of Unsealed Motion filed in this case.

The Plaintiff states as Ground :

1. On August 24th 2009, the Plaintiff filed a copy of the SEALED TRO in this matter known as Docket #7 along with copies of the SEALED exhibits and affidavits/declarations in Docket #7, in his request to UNSEAL the Motion he used to try to get a Protective Order against Dr. Caulk and Lt. Howard (now deceased) with a request to UNSEAL the Motion since it included a MOTION TO AMEND THE COMPLAINT in this matter to include many other horrific allegations of CIVIL RIGHTS ABUSES by the defendants.
2. Presented to the Court as a copy of that Unsealed Motion is an OCR – Text copy of that UNSEALED TRO, that was unsealed yesterday. This version of the unsealed Tro is needed so all parties can clearly see the horrific allegations alleged in January 2008, that the Court FAILED TO

ACT ON to protect the Plaintiff from such horrific abuse.

THEREFORE, the Plaintiff presents to the copy OCR-0001 as an Exhibit, a text version of the handwritten SEALED TRO he filed in January 2008 in which the Plaintiff clearly requested to AMEND the Complaint in this matter, and which was UNSEALED yesterday.

Respectfully submitted this 25th day of August 2009.
